Erratum

The author has identified the following error in the published article:

- On page 22 it should read: “In figure 4, a local coffee shop used humor to encourage compliance with the local indoor mask mandate in Massachusetts.” rather than “In figure 5, a local coffee shop used humor to encourage compliance with the local indoor mask mandate in Massachusetts.”

- On page 23, it should read: “Our visual–intersectional analysis of figure 4…” rather than “Our visual–intersectional analysis of figure 6…”
